## UltraThin Lever Knife 3008-K

### UltraWiz® Cable and Lever Knives The 3000 Series

The UltraWiz® Cable and Lever Knives are made from high-quality aluminum. Our handles are ergonomically shaped to provide comfort and gripping power. Our unique set-screw and lever design allows for unlimited adjustments and easy blade changes.

### UltraWiz® Lever Knife Kit with Pull Cable 3008-K

The UltraThin Lever Knife 3008-K has been limed down for a new feel and fit in your hand. Weighing only 12 ounces, this new version of the Lever Knife is similar in diameter to a regular cold knife and is designed using OSHA's Ergonomic Guidelines for Selecting Hand Tools.

- Sleeker, Thinner, Lighter
- Same grip feel as a standard cold knife
- Allows for fully adjustable blade lengths
- Two sizes to choose from for a comfortable fit in *your* hand
- Quick release mechanism for easy and fast blade changes
- Fully adjustable placement of blade in knife
- In-line cable-pull attachment
- Heavy-duty steel eyelet at end of cable pull for added strength
