Long Knife L18 4018-L

UltraWiz® Long Knife L18 4018-L

Select 4018-L to extend your cutting reach below the dashboard

UltraWiz® Long Knives The 4000 Series

At only 3/16" thick with three available lengths, these knives easily fit between the deepest dash and windshield. Unique blade holder does not require excessive tightening of the Phillips screw; just loosen the screw to remove the blade. The blade-locating pin is extruded from the knife, no spring pins to loose or aluminum to wear out. A urethane handle provides comfort and gripping power. The hardened steel UltraWiz® Long Knife is virtually indestructible.

REPLACEMENT PARTS FOR THE 4000 SERIES
